## About Botani

Botani is the cannabis-specific arm of Schweitzer-Mauduit International (SWM), a papermaking pioneer with over 400 years of experience in innovation. Botani embodies SWM's unwavering innovative spirit and dedication to technical progression, embracing cutting-edge papermaking advancements to nurture our customers' growth with every step.

We manufacture our customizable rolling papers in a historic factory in Saint Girons, a small town in Southern France. The factory, operational since the 19th Century, was vital in introducing one of the earliest global rolling paper brands. Our wide range of Rolling Papers are a crucial element for marketplace differentiation.

*\*Please note that Botani does not supply finished products for end-use applications. We provide unconverted paper allowing customers to develop new and unique products.*

# Customizable Rolling Papers for Uncompromised Quality

Botani Rolling Papers are the key to product differentiation, offering a unique opportunity to establish a distinctive brand presence.
